

Conscious Color

The next time you decorate, try the environmentally-conscious YOLO Colorhouse, featuring durable, designer household paints, free of the ozone-damaging, volatile organic compounds (vocs) that most paints contain. For nurseries and kid's bedrooms, try little YOLO, nontoxic washable paint created by scientists and artists with little people in mind. yolocolorhouse.com - \$37

Aromatherapy Effects

Feeling tired? Uninspired? No matter; Aura Cacia's Essential Solutions line of 11 aromatherapy oils has something for all your moods. Place these all-natural concoctions, including energizing Creative Juice and soothing Pillow Potion, into the room diffuser and enjoy their unique effects.
