Part 1: Preparing the Stencil

1. Print these instructions and stencils. These print on 11x17 paper.
2. Cut out each shape.
3. Trace each shape onto the tag board.
4. Use X-Acto knife to cut out traced image.
5. After cutting, lift out the inside shape.
6. Cut a border around the stencil. This is what you'll use to paint the mural!

Part 2: Painting the Mural

1. Paint the wall SPROUT.05.
2. Freehand paint the horizon line with SPROUT.01.
3. Fill in the sky with SPROUT.01.
4. Position your stencils with painter's tape as follows:

BIRD: Position and paint the body of "A" SPROUT.06. When dry, finish painting the legs of "A" SPROUT.02. Then position and paint the wing, "B", SPROUT.02. When dry, freehand paint an eye STONE.06 or make a stencil with a hole punch.

FLOWER 1: Position and paint "C" SPROUT.05, when dry, layer "D" SPROUT.02 on top. Paint, then let dry. To finish the flower, layer "E" SPROUT.06 on top, paint and let dry.

FLOWER 2: Position and paint "D" SPROUT.05, when dry, layer "E" SPROUT.02 on top. Paint, then let dry. To finish the flower, layer "F" SPROUT.06 on top, paint and let dry.

STEMS: Position and paint "J" STONE.06 for both flowers.

PETALS: Use "G" SPROUT.06, "H" SPROUT.02 and "I" SPROUT.06 to create petals for your flowers.
